Seller's Disclaimer & Buyer's Responsibilities

[insert your name and/or farm name here] (hereafter referenced as "Seller"), is making the goat(s) referenced above available to _____ (Buyer) on a "where is, as is" basis, and other than guaranteeing Buyer that said goat(s) are in good health, are free of injury or disease at the date of sale, and that same will breed if provided with the proper care, environment, and nutrition, Seller makes no other guarantees or warranties, either expressed or implied. Any subsequent claims by Buyer, contesting Seller's representation as to the health, physical condition, or breeding soundness of the subject goat(s) at date of sale must be fully substantiated by a physical examination and applicable medical tests performed by a licensed veterinarian and provided in writing to the Seller.

Applicable registration certificates or registration applications will be provided to Buyer within fifteen (15) days of Seller's receipt of payment-in-full for the subject purchase, and Seller has confirmed that said payment is in valid funds.

All expenses pertaining to the transportation of the purchased goat(s) from or to the facilities of [insert your name and/or farm name here] to or from the Buyer's facilities are the responsibility of the Buyer.
